

**ANKIT SURGICAL**  
IS HERE FOR ALL THE NEEDS OF YOUR  
MEDICAL EQUIPMENT.

## ABOUT ANKIT SURGICAL

**Ankit Surgical** is here for all the needs of your medical equipment. No matter what you need we have the most diversified portfolio of items that you might need. Here are some of the products that you can get from us- Orthopedic Instrument Sets, Bone Holding Forceps/Self-Centering Forceps, Plaster Cutting Instruments Sets, External Fixator Ilizarov Sets, Intramedullary Nail Instrument Sets. So feel free to consider a company like ours that has years of experience when it comes to delivering quality under the affordable range.

This way you are not extending your budget constraints as well. We also provide the items in bulk orders so feel free to consider our products. We have the most trusted brand in the market that you can always rely on. We as the most reliable manufacturers prioritize reliability, ensuring that our equipment performs consistently and accurately. This reliability is crucial in healthcare settings where precision and consistency are paramount. We know that when it comes to the medial domain precision is super important and so does ergonomics that is why our equipment excels in all.

## **PFNA2 INSTRUMENT SET/PROXIMAL FEMORAL ANTIROTATION NAIL**

The surgical and healthcare-based equipment that you get from us are made with ergonomics in mind this means that you are getting items that are easy to handle and can be operated with ease. We know the issues that the customer has to face when it comes to dealing with low-quality medical equipment and hence our items are built to last, with durable construction and components that withstand the rigours of daily use. This longevity that you get via our products reduces the need for frequent replacements, saving both time and money.
